As of 1 December 1947, Konzern Orenstein und Koppel, a state-owned industry located in Potsdam-Babelsberg, produced sixteen locomotives a month after reparations. An order was recently received, however, for two hundred tender locomotives to be ready for shipment by September 1948, necessitating an increase in the number of employees from one thousand two hundred and forty to fifteen hundred. Additional Nazis for this purpose are to be furnished by the Brandenburg state government.
